If you see a conflict with your schedule, it is ***your responsibility*** to make alternate arrangements for a supply and let your team leader know of the change.

When finding a replacement, please replace an adult with an adult. Students' names are *italicized* on the contact list

We realize that some people do not want to miss any of the church service when volunteering however; the café needs to be cleaned up once the service begins. Perhaps 2 people from your team stay to clean up café when service begins and 2 different people on your team leave the service 10 minutes early to setup café. Each team can decide what works best for them.

☺ *Volunteers are allowed one free snack and one drink when on duty* ☺

*"Volunteers are not paid; not because we are worthless, but because we are priceless."*
