IN A
YEAR

the Pursuit

BEGINNING

Out of love, God created humanity to share His goodness, but sin brought separation. Yet, God promised a Saviour to restore the relationship.

PATRIARCHS

God chose Abraham, promising him a nation, land, and a Saviour, establishing His covenant through Abraham's descendants.

NATION

God led Israel out of slavery into the Promised Land, calling them to be a light to the nations and pursue Him as their King.

KINGDOM

God provided kings, like David, to lead His people, but their pursuit of other gods brought division and spiritual decline.

EXILE

God allowed Israel's captivity to awaken their need for Him, preserving a remnant and pointing to the coming Saviour.

RETURN

God brought His people back to their land, rebuilding what was lost and renewing their hope in His promises.

JESUS

Jesus came as the promised Saviour, teaching, sacrificing Himself for sin, and opening the way to life with God.

CHURCH

The Holy Spirit empowered the church to spread the gospel, guiding believers to pursue God in a world of distractions.

NEW HEAVEN & EARTH

Christ will return to renew creation, vanquish evil, and dwell fully with His people in eternal paradise.

OUR PURSUIT OF HIM

Our response to God's relentless pursuit is to seek Him with all our hearts and live in His love.
